Aparthotels Adagio, the European leader in aparthotels has opened a new location in Brentford on the 23<sup>rd</sup> of October 2018, following the rebrand of an existing aparthotel - Urban Villa. Featuring 100 apartments, the opening of the Aparthotels Adagio London Brentford is an important milestone for the brand as its first ever property in London.

Aparthotels Adagio London Brentford's design takes inspiration from its urban surroundings with a modern and contemporary feel. The aparthotel's public spaces have been created to be an open area where guests can meet, share and collaborate in a welcoming and comfortable setting. The design is based on customer desire and usage, bringing a modern and flexible style available at different times of the day.

The 100 redesigned apartments all feature a fully equipped kitchen, spacious bedroom, living area with flat screen smart TV. Guests will also have access to a bar, virtual concierge, fitness centre, laundry facilities, business services and onsite parking.

Looking forward to the October opening, Anja Müller, Chief Operating Officer Europe said:

*“It is an exciting time for the brand as we open our first aparthotel in London, one of the most iconic cities in the world. The UK continues to be one of our key markets for expansion – we have had great success with openings in Edinburgh and Birmingham over the last couple of years and hope to continue to build on this with Adagio London Brentford.”*

Part of the Kew Eye Tower GWQ Development, the aparthotel is located close to London City Centre, London Heathrow airport, Wembley stadium, Thames Valley and M4 business hubs. It is also well placed for family-friendly leisure experiences such as Windsor and LEGOLAND and is situated within a mile of Kew Gardens. With direct transport links, the property is ideal for both business or leisure trips.

Brentford is the fourth UK opening for Adagio, following launches in Edinburgh in 2017, Birmingham in 2015 and Liverpool in 2013. There are also further openings planned in the UK in London Stratford; Leicester by the end of 2019 and in Glasgow by the end of 2020.
