Did you know?

Anney, European capital of outdoor sports! Nothing surprising: the lake and its strategic place in the Alps makes Anney a true hub for winter as well as summer sports. From mountain activities (hiking, skiing, canyoning, cycling, paragliding, etc.) to water pleasures (swimming, sailing, water skiing, diving, etc.), Anney makes everything possible!

Musée du film d'animation

Annecy holds the International Animated Film Festival and welcomes the biggest names of the profession, every year, for a week full of discoveries and film premieres. The Animated Film Museum exhibition offers an overview of this art form and retraces the beginnings, and evolution, of animation through drawings, puppets, equipment, original creations and author perspectives.
